

Golden Roots Givers Club

FOR HOLISTIC MENTAL HEALTH & SUICIDE PREVENTION

Help us strengthen our roots -- become a Golden Roots partner! Just as our LOJ Tree represents the many branches of wellness and support one can need, our Golden Roots Givers Club symbolizes the extensive network of partners that give sustainability to our programs. Like deeply planted roots, your financial support enables us to grow strong and wide, and to reach more people who need our resources.

The numbers associated with these levels, 9-1-1, carry different and significant meanings. At Life of Joy, they've come to represent hope, progress and a lifeline. The date that birthed our founder's vision in 2015, September 11th, would later come to mark LOJ's first official board meeting in 2019 and thus our anniversary. Individuals who give at or above any of our symbolic levels are Golden Roots Givers!

LIFELINERS: \$911/month or \$9,110 single gift

To truly be a lifeline for people in need, Life of Joy must grow beyond volunteer support alone and invest in quality personnel and resources. Golden Root Lifeliners generously enhance our capacity to employ the helping hands necessary to bring our vision to life.

EXPANDERS: \$91/month or \$911 single gift

Golden Roots Expanders help us to do the research and grant writing for more significant funding, and to provide our community with more mental health & wellness workshops

SUSTAINERS: \$10/month or \$100 single gift

Golden Roots Sustainers help fund all of our programs, and increase awareness for the resources in our area
