Annual Life of Joy Day!

A Community Wellness Day
For Holistic Mental Health & Suicide Prevention

Greetings!

You are invited to join the Life of Joy Foundation community of mental health advocates and self-care champions for our 3rd Annual **Life of Joy Day**. The yearly highlight of our Spring Rise Up Campaign, this signature event is a community wellness day where we invite the LOJ network and surrounding Anne Arundel County community to come together and build connections in support of our shared goal of fostering holistic mental health and preventing suicide.

Our local nonprofit exists to nurture mental wellness and prevent suicide - to help individuals and families build a sustainable life of joy. The educational programming, community engagement events, and awareness campaigns that we present equip our very own neighbors, friends, classmates, and colleagues with holistic support, and assure them that they are not alone in the challenges they face.

So RAIN OR SHINE, on June 10th at the Church of Severn Run, this FREE, fun, family-friendly event will showcase our LOJ programs and resources, and feature activities for all ages to build joy in mind, body and spirit. We expect more than 200 neighbors, community partners and LOJ supporters to attend.

Will you join us to support holistic mental health in our shared community with an event sponsorship or a donation to our event raffles? Your participation keeps this event free for all who need it, and will signal to the community that your company shares our commitment to mental wellness. We will be sure to publicly express our gratitude at the event and on our social media platforms.

Please find relevant fliers attached, and feel free to email Alison at alison@lifeofjoyfoundation.org with any questions. Thank you in advance for your consideration!

Sincerely,

Joy Cortina, Founder
& The LOJ Day Event Committee

Join us JUNE 10TH from 11AM-3PM at Church at Severn Run!
